ASSER OAKES - FOAM / AERATOR MIXER

Customers rate us on Guaranteed Reviews Company, have a look at their feedback.

SKU: 11869 | **Categories:** Foam mixer, Industrial mixer

PRODUCT DESCRIPTION

Brand : Asser Oakes
Year: 1992

Type : Inline foam / aerator mixing machine

Power : 11 KW
Speed variation : motor brake

Oakes continuous mixers homogenise or aerate mixtures to produce a very uniform and stable cell structure. The mixers can combine two or more liquid streams, or simply improve texture when aeration is not required.
