

ASSER OAKES - FOAM / AERATOR MIXER

 Customers rate us on Guaranteed Reviews Company, [have a look at their feedback.](#)

SKU: 11869 | **Categories:** [Foam mixer](#), [Industrial mixer](#)

PRODUCT DESCRIPTION

Brand : Asser Oakes

Year: 1992

Type : Inline foam / aerator mixing machine

Power : 11 KW

Speed variation : motor brake

Oakes continuous mixers homogenise or aerate mixtures to produce a very uniform and stable cell structure. The mixers can combine two or more liquid streams, or simply improve texture when aeration is not required.

Mixing tool: double effect rotor / stator

Dismantling tool: available
