IMMEQUIP DS-H400-3460 - STRAIGHT CONVEYOR

Customers rate us on Guaranteed Reviews Company, have a look at their feedback.

SKU: 12408 | **Categories:** Belt conveyor, Conveying and feeding system, Industrial transfer / conveying equipment

PRODUCT DESCRIPTION

Manufactuer : Immequip

Model : DS-H400-3460

Year : 2020

Type: Belt straight conveyor

Previous application: Deep-freezing packaging line, 4,000 kg/h, temperature range: -35 to 0°C

Horizontal centre-to-centre distance: 3,201 mm
Vertical centre-to-centre distance: 1,308 mm
Elevation angle: 22.2°
Loading height at chute / ground level: 803 mm (adjustable ± 25 mm)
Unloading height / ground level: 1,753 mm (adjustable ± 25 mm)

Belt width: 450 mm

contact@osertech.eu / +33 2 37 90 28 78

Motor power: 0.12 kW

Conveyor belt speed: 0.9 m/min at 12 Hz... 6.0 m/min at 80 Hz.

Danfoss FC302 variable speed drive

Dimensions: 3445 x 1170 x 1975 mm

Technical documentation and drawings available

Weight: 90 kg
